REFLECT & REFRESH: CHECK IN ON YOUR FINANCIAL GOALS!

As the year begins to wind down, October is the perfect time to pause and reflect on the financial goals you set for yourself in 2026. Have you made progress toward paying down debt, building savings, improving your credit, or creating a spending plan? Celebrate your wins, no matter how small, and don't be discouraged if you're not quite where you hoped to be.

A quick review can help you refresh your goals, make adjustments, and finish the year stronger than you started. Small steps today can still make a big impact before year-end!
